

Distant Ports Assigned to Humanity 1

Based on operational data of Humanity 1

Extra days/km of calculation are calculated based on SOS Humanity's own calculation. For more details on the methodology, see: <https://sos-humanity.org/en/press/analysis-of-distant-ports/>

Last update: 28.04.2026

Color Code:

Red Letters and a yellow orange marker	we do not consider the port to be a distant port, e.g. Lampedusa.
orange marker	the survivors were disembarked in two different ports (a close and a distant port)
blue marker	the ship was detained after disembarkation
purple marker	need to make new calculations (because of new vessel or new port)
